Dear Mr. President,

In the recent months I have grown concerned with the substantial number of visas that are being disseminated in our country and the perplexity that these visas may have on our law enforcement. With roughly one hundred and eighty-five different visas in this country the verbiage in these documents may be confusing to ICE agents as well as our law enforcement as a whole.

While ICE enforces immigration laws within the United States, as you know, the process of issuing visas fall under the U.S. Department of State. ICE agents or local law enforcement may not always have the knowledge concerning the specific nuances of different visa types.

As a six term Sheriff, voted in by the citizens of Butler County, Ohio, I implore you to modify these visas to more simplified, comprehensible categories to alleviate any confusion moving forward.

Most Respectfully,

  
Sheriff Richard K. Jones  
Butler County, Ohio
